About Triumph Scholarship Exam

From last 4 years Nishant classes is conducting unique scholarship Exam to provide class VIII, IX & X studying students. A platform where they can get an opportunity to prove their mettle and get maximum scholarship & cash prizes for their future aspirations.

TRIUMPH is an initiative to encourage young talent of Agra region with mentoring, Scholarships & Cash prizes. This is an opportunity to win appreciation by admitting their abilities for future career goals.

It is one of its kind exam designed by our highly experienced academicians in such a manner that all kind of students will find it full of such benefits which will excel their academic competitive abilities & support them to beat the competition.

About Nishant Classes

Nishant Classes started with the vision of imparting best quality education to those students who live the dream of being a successful Engineer or a Doctor one day. Since last 10 years we are helping to fulfill the dreams of students and their parents by delivering outstanding results year on year. We are able to prove this consistently with the help and support of our experienced and zealous faculty members.

Nishant Classes today is a leading institute in Engineering entrance examinations & Foundation (Class IX & X) preparations in Agra region.

At Nishant we believe in nurturing & boosting the innate capabilities of a student by supporting them to outperform in today's competitive world.

So if you have it, put it to Test !

The Exam is for all students studying in
class 8th, 9th, 10th
&
11th (Science only)
