

GUIDELINES OF RASHTRIYA AROGYA NIDHI (RAN)

- 1.1 The Scheme provides for financial assistance to patients, living below poverty line who are suffering from major life threatening diseases as listed in the annexure to this guidelines, to receive medical treatment at any of the super specialty Govt. hospitals / institutes or other Govt. hospitals .The financial assistance to such patients is released in the form of '**one time grant**' to the Medical Superintendent/Director of the hospital in which the treatment is being received.
- 1.2 The Department related Parliamentary Standing Committee on Human Resource Development in their 31st Report on the functioning of the Central Government Hospitals under the Department of Health & Family Welfare, had expressed concern about inadequate facilities for the treatment of poor patients for major illness. The Committee felt that it was essential to explore all appropriate sources of funds to assist poor patients coming to AIIMS or other Central Govt. Hospitals for their **treatment of specific life threatening illness**. In view of the recommendations of the above Committee, it was decided to set up a National Illness Assistance Fund renamed Rashtriya Arogya Nidhi (**RAN**) under the Department of Health and Family Welfare, Ministry of Health & Family Welfare. The Committee on non-Plan Expenditure in its meeting held on 17th October 1996 approved the proposal for setting up of the Fund.
