- i) In this test, age/class is the most important factor in selecting children for the Award. Younger be the child in his/her group, more will be the chances of his/her selection for the Award. Therefore, do not bother in which class your ward is studying, see and check only whether the child is eligible to appear in the said Examination under Any Group or Not.
- ii) The Evaluation for granting Scholarship or Cash Award is based on the cumulative result of Written and Oral Examinations.
- iii) Every child is Examined and Judged for his/her Talent It has nothing to do with the books, he/she reads or where he / she studies.
- iv) Therefore, no book is prescribed for the test.
