## LIFA Scholarship Application

### Application Guidelines

LIFA Trust Scholarship application invitation opens each year on **1st April until 30th June**. Late applications will not be accepted. Applicant must fill in all the information required as per LIFA Charitable Trust Scholarship Application on or before the closure date.

Applicants should provide a signed **letter of intent** that outlines their interest and goals for the Scholarship years as well as their **professional plans** for the future.

A photograph and two signed letters of recommendation are also required. One of the letters of recommendation should be provided by an LIFA ITI Fellow and another from one Govt. Service Official.

Applicants must fill in all the information required as per LIFA Scholarship Programme Application.

## **LIFA Scholarship Selection Process**

Once the application acceptance has closed, all submitted applications will be forwarded to the LIFA Scholarship Committee for evaluation.

The Committee Members will evaluate the submissions and then meet to discuss them and select the LIFA Scholars for the coming year.

The Committee's decision will be published at LIFA ITI and also will be sent out via email to all applicants.

As a matter of policy, the LIFA Scholarship Committee does not go into the reasons for its decisions.

**LIFA Scholarship Selection Committee will scrutinize the applications based on the following factors:**

**1st PART**

Talented and skilled students those who are facing financial difficulties to study the course.

Interested students to technical side those who have completed non-technical courses.

The qualified youth those who are facing unemployment and interested to study technical course and working in technical sector.

**2nd PART**

Marks of previous examinations.

Financial capacity of the student

Technical skill & capacity of the student
