## About IOA-PSACWA Talent Search Exam

Since the advent of science humans have striven hard to uncover every mystery that shrouds this universe. With technological advancements leaping and bounding every second moment we must pause and question ourselves: what is our contribution to it? Are we providing our upcoming generation with the means to be the next great explorer or the next great scientist or the next moral value practitioner? Are they aware of the day today threat that they are exposed to in their daily life?

International Olympiad Academy (IOA) in collaboration with **Private Schools and Children Welfare Association (PSACWA)** aims to specifically achieve this through **IOA-PSACWA** Talent Search Examination. We aim to recognize the raw talent within students of formative age by the way of conducting one national level contest wherein we shall test them by the way of asking general knowledge questions involving everyday science, common mathematical reasoning, moral education, road safety, class room safety and school safety etc. It will allow them to question everything on each step and enhance their understanding of the underlying concepts that govern our universe.

The **IOA-PSACWA Talent Search Examination** Phase - II application forms will be open for students from July 1st, 2018 to August 31st 2018. Students of Class 1 to 10 across India can take part in this national-level scholarship program. This exam will be conducted in two levels. The level-I exam will be held on September 16th, 2018 in participating schools. The students who clear the level-I exam will be eligible for the Level-II exam. The level -II exam will be held on November - 24th, 2018 at allotted centres in each state.

The schools/candidates interested in applying for **IOA-PSACWA** Talent Search Examination can apply through both offline and online mode. For the online mode of application please visit [www.internationalolympiadacademy.com](http://www.internationalolympiadacademy.com). For offline mode, application form can be downloaded from [www.internationalolympiadacademy.com](http://www.internationalolympiadacademy.com).

## About International Olympiad Academy

Currently in collaboration with **HIPPO** International Language Competition and Singapore, Asian School Math Olympiad (**SASMO**) and The **Kangourou Sans Frontières (KSF)**, International Olympiad Academy (IOA) aims to identify young geniuses and bring out the best in them.

Hippo, "English without Borders Competition" is an international competition which promotes English language, challenges students around the globe to compete in English language knowledge, and improves the co-operation between teachers. GLOBAL INPUT and GLOBAL HIPPO ASSOCIATION with PEARSON are organizing 6th International Competition in English Language.

Singapore Asian Schools Math Olympiads (SASMO) is an International fame Mathematics Contest in which several Asian Countries take part which include India, Malaysia, Indonesia, Philippines, Cambodia, Myanmar, Vietnam, Brunei, Hong Kong, China, Mongolia, Bulgaria, Kazakhstan and Uzbekistan. Created in 2006, SASMO is one of largest math contests in Asia.

Singapore International Math Olympiad Challenge (SIMOC) is a unique concept of mathematics competition which not only tests your ability to solve mathematical problems on pen and paper but also tests your ability to work as a team to play interactive mathematical games and solve puzzles. SIMOC gives you an opportunity to compete with top mathematical talents from around the world and learn from each other as a team.

Mathematical Kangaroo (also known as International Mathematical Kangaroo, or Kangourou sans frontières in French) is an international mathematical competition where over 50 countries are represented.
