WRITTEN EXAMINATION

The Written Examination for Groups A, B, C and D will be held at important places or where students are more, all over the Country and Abroad on **Saturday, 1st Dec., 2018 or Sunday, 2nd Dec., 2018 from 9:00 a.m. to 12:00 noon** for all the Groups, at the Centres Fixed for the Examination. Principals of the schools can select any date, out of the two dates, so given above. It is important to note that the Examination will be carried out on "**Negative Marking System**", i.e. If any question is answered wrongly the Mark of that question will be deducted from the total Marks obtained, e.g. If a student answers five questions, each of 2 Marks wrongly and answers twenty questions, each of 2 Marks , correctly, then his/her total Marks in the particular paper would be $40-10=30$ Marks. Further, if one tries to answer a question, which carries 2 Marks, firstly by giving wrong answer but by second thought gives correct answer, even by rubbing or cutting the first one, Marking for that question will be done as $-2+2=0$. Thus the Marks achievement will be zero in that particular question.

Therefore, in his/her own interest, every student is advised that he/she should avoid taking chance in answering question if he/she is not sure about the correct answer.

All questions will be objective type. The answers will be given on the answer paper sheets. No extra sheet of paper will be supplied nor any student will be allowed to write on any separate sheet. Nothing should be written on the question paper. **Rough work, if needed, be done on the back of the answer-sheet. THERE MAY BE TWO SETS OF QUESTION PAPERS FOR DIFFERENT DAYS OF THE EXAMINATION SCHOOL CAN SELECT ONLY ONE DATE OF EXAMINATION.**

CENTRES FIXED FOR WRITTEN EXAMINATION

Usually every District will have atleast one Centre where Examination will be conducted for this programme provided there will be more than 70 students. Once an Examination Centre is fixed, no request or representation regarding change of Centre will be entertained. However, there will be about 300 Centres in the Country and Abroad where the Examination will be conducted simultaneously on the Fixed Date. Overseas Students will also Appear for the said Examination in the Country, where they are studying on the same date.

NOTE : A SCHOOL, ON REQUEST, CAN BE MADE A CENTRE FOR THE A.I.T.S. EXAMINATION - 2018 FROM WHERE ATLEAST 70 STUDENTS OF EITHER GROUP COLLECTIVELY ARE EXPECTED TO APPEAR AT THE EXAMINATION.

STANDARD AND SYLLABUS OF THE EXAMINATION

No syllabus or text books are either prescribed or suggested for preparation to these Examinations. Hence, children should be encouraged to learn, know and understand thoroughly as much as they can, at their particular class/age by obtaining maximum information and general awareness apart from their School Textbooks.

However, just to give an idea about the programme and what children of their age should know apart from their School syllabus, a set of Old Question Papers for each group will be sent by post, free of cost, to the Schools, on request.

These Question Papers will also be made available to students against payment of Rs. 100/- (Rupees Hundred only) to know the pattern of Examination. Students who desire to have such Question Papers should send Rs. 100/- by Demand Draft favouring **Children's Education Trust, payable at New Delhi**, along with the postal stamped & self addressed envelope of size 5" x 12". Please write on the envelope, "FOR OLD QUESTION PAPERS" and specify the **Group** for which the Question Papers are needed.

NOTE : 1. The result will be declared on the basis of A.I.T.S. Written Examination only.

2. Students will always use and write Registration Number in all their correspondence and also on the Answer Sheet.

SUGGESTIONS TO THE PARENTS

- i) In this test, age/class is the most important factor in selecting children for the Award. Younger be the child in his/her group, more will be the chances of his/her selection for the Award.
Therefore, do not bother in which class your ward is studying, see and check only whether the child is eligible to appear in the said Examination under Any Group or Not.
- ii) The Evaluation for granting Awards, Scholarships OR Cash Awards is based on the Written Examination.
- iii) Every child is Examined and Judged for his/her Talent. It has nothing to do with the books, he/she reads or where he / she studies.
- iv) Therefore, no book is prescribed for the test.
