## **Scholars Not Selected**

Over 6000 scholars took the Navodaya Dakshana Selection Test on December 08, 2019. Due to JNV dorm and class room capacity, we are only able to accept the most promising ones. However, we would like to inform the remaining students who appeared for our test that you have all the talent needed to go to IIT/Medical College. You just need to put in the efforts and be properly guided. To the extent that your families and schools can provide resources, do try to prepare for the JEE/NEET in 2022. We wish you all the very best.
